**3 TABLEWARE TIPS FROM ISABELLE VON BOCH**

**1** Invest in dinnerware, crystal and cutlery and use your good Chinaware everyday – it makes everything look delicious

**2** Keep collecting different placemats – they are essentially your table wardrobe. Use linen, wood, wicker or bamboo to get a casual look in bright colours. Formalise with brocade or silk, in beige, grey or burnt orange and dress it up with silver. Sparkle, floating candles and flowers for special occasions

**3** When storing, avoid keeping your glassware inverted. Stand it up instead so it doesn't retain any smells

**Where** Villeroy & Boch, G 10A, Palladium Annexe, SB Marg, Lower Parel, Mumbai 13. Tel: (022) 40040014

**A CUT ABOVE**

It's all about sharp appeal with the Victorinox cutlery block for steak knives. The stainless steel edge wavy blade in trendy tropical hues placed within the red stand is sure to liven up your cooking space and be the conversation starter at your next dinner party.

**SUMMER'S HERE – DO WHAT THE BRITS DO**

Turn a tea service ritual into a sublime interlude – indulge in the spring-themed Jardin Secret set with charming vintage floral designs, the Taj Mahal inspired Ravissant's Silver Enamel collection in sterling silver or simply opt for the minimalist Sieger's My China! Ca'd'oro by Furstenberg in a geometric interplay of gold, black and white.
