

EKAANI

The exquisite wine holder by Ekaani is not just merely ornamental but also a symbol of sophistication and class. Embellished in silver and liquid gold, the wine holder gives a majestic look as if sketched right from the books of nobles and kings.

d'MART EXCLUSIF

The centerpiece bowl by d'mart Exclusif is beautifully crafted in silver with mesmerising design especially on the foot. Simply stunning and an amazing piece!

RAVISSANT

The silver fruit platter by Ravissant is a graceful and stylish centerpiece that enhances the grandeur of the room. A perfect ornament to serve the fruits and more than that it looks good as a decorative piece.

VISIONNAIRE

We tend to overlook small tables in the house but it is definitely not the case with the Chantilly Small Table by Visionnaire. The impressive piece of furniture can be used as a side table and it is also durable.

Bazaar

JAY STRONGWATER

The crystal adorned and decorated with honey bees and grapevines is the jewellery trinket box by Jay Strongwater. Certainly it is a beautiful box for your exclusive jewellery and precious trinkets.

THEODORE ALEXANDER

Finished in wood, the cabinet by Theodore Alexander brings back the aura of the Colonial Homes. It enhances the grandeur of its owner's room. You can place it in your library too. A must have!

InV HOME

The metalace centrepiece by InV Home is inspired from the world of lace fabrics and embroidery using the advanced metal process technologies. The exquisite centerpiece will just hold your breath.
