

## Ravissant unveils Silver Enamel Collection

Ravissant's Silver Enamel collection. This collection will spruce-

up your home with their beauty and will add a touch of exotic to your home. The Silver enamel collection comprises of tea sets, coffee sets, boxes, flower vases, water glasses, water jugs and nut howls. Ravissant's silver enamel collection which is inspired from TajMahal and oriental style with domed enameled lid which compliment the gold plating in a luxurious way. The silver enamel

collection from Ravissant will definitely ensure that your guest's and you truly Dine in Style and Opulence!

In this collection hammering, engraving, enameling and chasing technique has been used. Silver chasing is actually a very interesting and delicate technique used to create beautiful designs onto a molded piece of silver using a hammer and tools.
