Shades of India celebrates our heritage

The Delhi Design Store

The Delhi Design Store is a destination that offers curated home decor and interior items with a contemporary and urban twist.

D 40 /792, Chattarpur Hills, 100 Foot Rd.

Shades of India

You must have seen some of their products at Good Earth outlets in the past, but now the brand is here with its own store. The store in itself has a very edgy and contemporary display which would create an urge to buy more.

127, Meharchand Market.

Ravissant

Ravissant is known for its silver and silver plated miniatures with combination of leather, stones, wood &

enamelling. They use the finest quality of alloy that contains 92.5% of silver. Every piece is hand produced by Ravissant's master silversmiths in their workshops and is adorned with a stamp of Ravissant, 92.5% purity, year of making, the craftsman and the designer's hallmark.

307, DLF Emporio Mall, Vasant Kunj.

Renovation

Renovation Factory offers a selection of beautiful, yet affordable, products such as wall hanging, ceramic vases, cushion covers, quilts, and miniatures amongst many others. One must-have from this store are scented candles or their new wooden collection.
